ANNOUNCEMENTS

New Member

RPOS officially welcomes new member Doreen O'Neill to the RPOS Committee.

APPROVAL OF MINUTES

Mr. Socash motioned to approve the February 21, 2022 RPOS minutes. Ms. Brecker seconded; all in favor.

Review Bills

There were no bills to review at tonight's meeting.

245th Reenactment Sept 24-25

Mr. Feld reached out to the Historical Commission to see if they would also volunteer at the Birmingham Township tent at the Reenactment in September. An exact schedule will be worked out at a later date.

Birmingham Hill Trail

A tree fell at Birmingham Hill and was hanging over the trail. Mr. Feld and Mr. Brian Matuszewski were able to quickly clean up the debris. Luckily, it missed the fence posts and only hit three rails. Mr. Feld noted that thanks to Ms. Worth regularly replacing rails, there isn't enough work to be done to have a group work day at this time.

Ms. Brecker noticed the stop sign in the parking lot was damaged/bent. Members agreed to take a look the next time they drive by.

Sandy Hollow

Sandy Hollow is looking great due to all of the brush being cleaned up. Mr. Feld believes it will only need to be picked up every few years. The fencing is also looking orderly as Mr. Bonkoski has been picking fallen rails up when he is there.

Mr. Feld spoke to Chief Nelling about fixing the hollow in the trail directly next to Birmingham Road as it constantly gathers ice. Chief Nelling said he would make sure to address this in next year's road budget.

New Business

There was no new business at tonight's meeting.

Mr. Socash motioned to adjourn the meeting. Ms. Brecker seconded; all in favor. With no further business and with no public comment, the meeting was adjourned at 7:15 PM.

Respectfully submitted,

Melissa Urbany
RPOS Secretary
