RE: CCSWA Landfill Electronics Dropoff Site

We are now accepting TV's, computers and other electronics and appliances at the landfill for FREE **until December 2016**. Please note that the SECCRA Landfill, 219 Street Road (Route 926), West Grove, is also accepting televisions and electronics. Residents in the southern end of Chester County should use this landfill.

There is a three (3) unit limit per vehicle. A complete computer system is considered one unit. All items must be intact and no disassembled items will be accepted.

No municipal collections will be accepted.

Residents must be able to unload their own items. Items must be put on the appropriate pallet or in the labeled gaylord box. Appliances that are mostly metal should be disposed in the metals container for recycling.

Please share this information with your residents.
