**New Business**

Mr. Forbes will be attending the Birmingham Hill Master Plan steering committee on February 28, 2020 and he will have an update on that next month. This group is working to determine the plan for the entire O'Dell property and Birmingham Hill in conjunction with the Brandywine Conservancy.

Ms. Fleming noted that she received a mailing as a neighbor of the property. The mailing came from the Brandywine Conservancy and contained an overview of what they hope to do on the property in terms of trails, interpretative signage and possible timeline for implementation. They have established a Steering Committee. They are going to have public engagement meetings and also involve neighbors in the direction they take.

Mr. Forbes is going to contact the office about a replacement for Jeff Janofsky.

Mr. Forbes made a motion to adjourn the meeting at 7:32pm. Seconded by Mr. Ponticello and voted unanimously. The next meeting will be March 24, 2020 at 7:15pm.

Respectfully submitted,
