Review Bills

There were no bills to review at tonight's meeting.

Birmingham Hill

There have been no new issues observed at Birmingham Hill lately, other than a few broken rails on the outside fence.

Sandy Hollow

Mr. Bonkoski informed members that Sandy Hollow is looking OK as well. There are a few broken rails by the parking lot and a couple more on the Birmingham Road side that need to be fixed or potentially replaced soon. Mr. Feld stated that he only has a couple of rails left. Mr. Bonkoski plans to get a count of how many are needed and then will go to Ace and purchase more.

250th Anniversary Events

This topic was kept on the agenda as a reminder that related emails will continue coming through to the Township. Mr. Feld is wondering if the Board of Supervisors have discussed the event yet.

Cannon

Mr. Bonkoski posted for the second time on Nextdoor in search of someone to repair the cannon. He received no new interest, but plans to post one more time. RPOS members agreed to stretch out maintenance for a few more years. Subsequently, they will discuss purchasing a new one that is made of a more durable material.

New Business

There was no new business at tonight's meeting.

The next RPOS meeting is scheduled for April 15, 2024.

Mr. Feld motioned to adjourn the meeting. Ms. O'Neill seconded; all in favor. With no further business, the meeting was adjourned at 7:12 PM.

Respectfully submitted,

Melissa Urbany
RPOS Secretary
